

## THIS IS THE LAST DAY FOR SPECIAL PREMIUMS

(Continued from Page One.)

store is also proving a magnet for the attraction of many of the candidates, and as one young lady remarked: "After trying this piano, I cannot bear the thought of going to anybody else. It's mine and I am going to prove it by my work."

This is the general sentiment among the contestants; each looking out her particular premium and has made up her mind to possess it. The race will surely be a close one and it may be a very small distinction, one that you thought you could not get perhaps, that will win or lose you the premium. That's why we say "let none escape."

While some want the auto or piano, still others are after the diamond ring in display in The Stamps as was the Bay View residence lot and there are others who prefer the business scholarship in the San Antonio Business College. If you win one of these premiums you will have something that no one can outdo and from the moment it is awarded you will bless the day you entered the Caller contest.

### The last day.

This is the last day to work for that artistic set of solid silver toilet articles that is to be presented to the last contestant in Corpus who turns in the most money on new subscriptions. It is most certain to be a well-made addition to any lady's household. It carries with it a coupon good for \$100 votes. It is in the show window at the Dorschfelds' and carries your guarantee of quality.

The M. Lichtenstein & Sons special premium for this week, which ends at 6 o'clock tonight, is for the contestants outside of Corpus only, and is being shown in three stories for the selection of the lucky one. This is an excellent creation and the contestants resolving it will be cognizant of the fact that she is very well dressed and right up to the fashions of Paris.

Put in some extra hard work today and win out right now. Make your vote so big today that you will stand out Corplus one in the big race.

### Capital Premium.

The beautiful Overland touring car will be the first 1912 model of its kind to arrive in Corpus Christi, and a more splendid collection could not have been made for a Capital Premium. It is fully equipped with top and windshield and sells for \$1,000.00. This car is believed by many automobile experts to surpass any other car on the market for a number of reasons. It is class, with many

### SPECIAL RULING.

All money sent to The Caller this week by contestants living outside of Corpus Christi will be counted for special premiums and extra voting coupons if the envelope in which the votes are mailed bears a postmark prior to 6 o'clock p. m., Dec. 9.

This gives those contestants living outside of Corpus Christi an opportunity to work up to the last minute.

valuable improvements over last year models. The same car made last year by the Willys-Overland Co. was 25 horse-power with 162-inch wheel base. The 1912 model is full 30 horse-power and has a 196-inch wheelbase, and is a much roomier car, selling for \$110 less money than last year's model.

This car is guaranteed by the Woodward Carriage Company of San Antonio, who are district agents for this car in this section of the state.

### Piano Grand Premium.

A beautiful piano of the famous Packard make, value, \$550.00, furnished by and now on exhibition at the C. C. Book and Stationery Co.'s store in this city will be presented, as the Caller's Grand Premium, to the lady inside or outside of Corpus Christi who receives the greatest number of votes next to the winner of the Capital Premium. The Overland 55-T is the acme of perfection for the price. It is simple, making it decidedly a car for ladies.

**"Prince" and the Ramabout.**

This high-bred, genuine English pony, registered as an animal of the first class is a perfect pet and child's playfellow. Just as playful as a kitten, has plenty of vivacity and is very independent.

The little ramabout that goes with this outfit is a most excellent vehicle and is capable of carrying a load as heavy as the large size barges.

We invite any who may be interested to call and examine it.

Following is the vote standing as counted at 6 o'clock last night:
